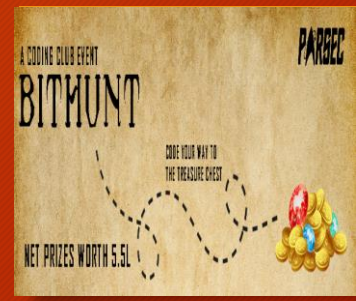
CODE YOUR WAY TO
THE TREASURE CHEST

NET PRIZES WORTH 5.5L

BITHUNT

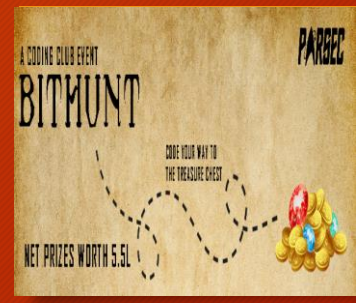


" Code your way to the treasure chest in a

REAL-LIFE HUNT

Full of byte-sized challenges "

ABOUT BITHUNT



- Bithunt invites contestants to participate in an enlivening coding hunt across the ocean of coding challenges.
- Participants are expected to access clues from real life in order to solve the coding challenges and hit the ultimate treasure.
- This event will be organized by the coding club therefore providing participants with skill development opportunities.
- Whether you're a beginner or an experienced coder, the coding club has something for everyone. All coding enthusiasts are invited! Text here.
